

Peer Evaluation Template

Instructions:

- Do **not** evaluate yourself.
 - You have **100 points total** to distribute **across your teammates** based on their contributions.
 - Provide clear reasons for your scoring (specific tasks, effort, reliability, communication, leadership, etc.).
 - The sum of points across your teammates **must equal 100**.
-

Your Name: _____

Team/Project Title: _____

Evaluation of Teammates

1. Teammate Name: _____

- **Points Awarded (out of 100):** _____
- **Reasons / Justification:**

Justification (address each category briefly):

- **Attendance & Reliability:** Did they show up for meetings, meet deadlines, and complete their share of work?
- **Task Contribution:** Did they complete assigned tasks with quality and effort?
- **Communication & Collaboration:** Did they communicate clearly, share ideas, and work well with others?
- **Leadership / Initiative:** Did they take initiative, help organize tasks, or guide the team when needed?
